

Back in those days when alone in the dark  
Tormented by the thought "I won't make it to the light"  
Overwhelmed by the weight of my flaws and my sins  
I thought no one could see me through  
Everything that I gained was finally in vain  
Because all that I had did not provide the real joy  
Yes I had everything but in fact I had nothing  
Nothing at all  
That was then Jesus came to me  
In the perfect way  
Yes He set me free  
And He changed the day

I will sing  
I will shout  
He gave his everything for me to have everything  
I will lift  
Up my voice  
To share my testimony  
Rooted deep in my soul  
Deep in my soul  
Routed deep in my soul  
I'll share my testimony  
Let me sing  
Let me shout  
He gave his everything for me to have everything  
Let me lift up my voice  
To share my testimony

Let me sing  
Let me dance  
He stepped into the dark for me to live in the light  
Let me lift up my heart  
To share my testimony  
Rooted deep in my soul  
Deep in my soul  
Rooted deep in my soul  
I'll share my testimony  
Let me share my testimony  
This testimony that is rooted deep down in my soul  
Let me share my testimony, my testimony !  
It's rooted deep in my soul  
Deep in my soul  
Rooted deep in my soul

...

It's deep !

Deep !

I'll share my testimony.

I'll share my testimony.
