

Fill me within

Lord come and fill me, yes

Come and fill me within

Lord come and fill me, yes

Come and fill me within

Without you I'm lost and I'll always be falling astray

Away from the home that you've prepared for me in the end

Oh Lord come and fill me

Come and fill me within

Oh fill me within

A ta hola me (Seigneur aide moi)

Hola me

Lord come and fill me, yes

Come and fill me within

Lord come and fill me, yes

Come and fill me within

Oh!

Without you I'm lost and I'll always be falling astray

Away from the home that you've prepared for me in the end

Without you I'm lost and I'll always be falling astray

Away from the home that you've prepared for me in the end!

Fil me within Lord

A ta

Fill me within

A ta

A ta hola me

Fill me within

A ta

A ta

A ta hola me

Without you I'm lost and I'll always be falling astray

Away from the home that you've prepared for me in the end

Fill me within

Fill me within

Fill me within

Fill me within

Fill me within
